

A Message from the Chair
of the General Alumni Association of Fisk University, Incorporated
Janine Smith '84 (BA) '87 (MA)

Your Alumni Association is continuing the work of bringing Fisk alumni together. Our committees are working diligently to plan and implement ways to keep alumni connected and support the university. I ask that you continue to follow us on Facebook, as well as the university (Facebook, Twitter, Instagram, YouTube).

We appreciate alumni efforts associated with the Home Depot Retool Your School campaign and anticipate hearing great news on April 14, 2021. **Watch it live!**

Let me share a few updates:

- Plans for the new Parrish building are underway
- Planning is in the final stages of the Virtual Reunion 2021, set for May 23rd and 24th. Registration links will be distributed shortly.
- The university plans a socially distanced commencement on Monday, May 24, 2021, on Tennessee State University's campus in Hale Stadium.
- We are planning for a virtual Annual Meeting of the Association this year in June. Last year was beyond our expectations! We plan to reach those heights again.

Thanks to alumni who serve on our national committees. We appreciate all alumni who have been nominated by their regions to move the alumni association forward! Additionally, thanks to all alumni who support Fisk from the local, chapter, and regional levels!

Together we will make a difference!
